Careful Attention To Small Accounts

We have uniform treatment for all depositors.

The man with the small account receives as much consideration as the man who carries a large balance.

Only a banker knows how the small accounts increase.

From an acorn the great oak grows.

Give us a call and let us explain our account system.

Courteous treatment to all.

Remember:

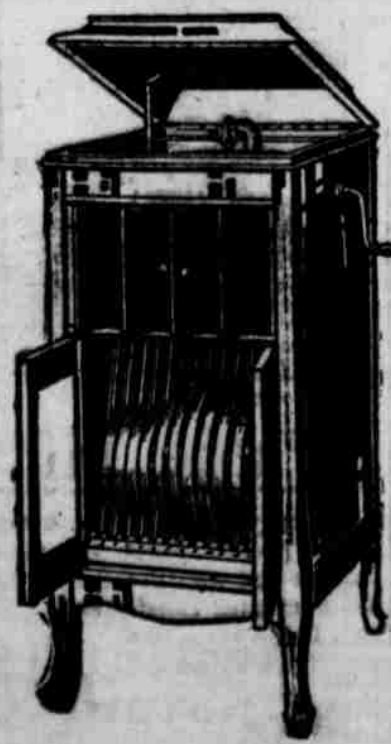

It is usually the unexpected that happens. You can never know when your home may require the services of the fire department. Friends can carry out your furniture, but only you can save your papers of value. If you keep them in a safe deposit box in our fire-proof vaults you can know they are safe, not only from fire, but also from theft or loss.

A Pleasant Evening

Advance Lodge No. 110 I. O. O. F. will have two representatives in Camp Custer when Claude Pratt and Nelson Ross go there in the near future to take up their duties for Uncle Sam. In honor of these two boys a banquet and smoker was given in the Lodge rooms on Friday night, Sept. 28th. After lunch had been served, which included roast chicken and other good things, Noble Grand Bidleman introduced Elder Charles as toastmaster, and a couple of hours were devoted to speaking and music, in which a Grafonola from Mathews & Wight's played a conspicuous part.
Able addresses were given by many aphinx-like brothers, who otherwise are not given to lengthy speech. Songs, old and new, and even recitations added to the program, which ran the scale from Mozart to Creators on the musical side, and—well, our one time popular orator, W. J. B., has some competition when it comes to talking.
The program was not complete until Brother Sloat sang that famous masterpiece, "The Cumberland Crew." Everybody said of one accord, "Bro. Charles is some toastmaster."

Roller Skating

There will be roller skating at the New Auditorium Tuesday and Wednesday evenings, October 9 and 10. Skates are all in good shape. Wm. F. Barr, manager.

RACE DAYS IN YALE

Tuesday and Wednesday of next week, Oct. 9 and 10, will be big days for lovers of harness sports, and the Riverside Driving Club is planning on one of the biggest crowds in its history. There are three events for each afternoon and good purses are hung up for each race.

Already a large number of entries have been made and without a doubt at this meeting every heat will be a race.

You should plan to attend either one or both of the afternoons and you are sure of getting your money's worth.

Below we publish the program which will be carried out:—

Tuesday, October 9th
2:17 Trot or pace.....\$150 00
2:35 Trot or pace.....125 00
Race for local horses.....50 00
Wednesday, October 10th
2:14 Trot or pace.....\$1 0 00
2:24 Trot or pace.....150 00
2:35 Trot.....125 00

This gives purses to the tune of \$750.00 and should draw a string of the fastest horses in this part of the state as the Yale races close the season's work for the horsemen.

Don't forget the dates—Tuesday and Wednesday, Oct. 9 and 10. Yale invites you.

Golden Wedding

Mr. and Mrs. Chauncey Kelley celebrated their golden wedding anniversary on Wednesday of this week, having been married 50 years on that date. Relatives from Yale and different parts of the state were present and made the day a pleasant occasion and one long to be remembered by the entire family.

Mr. and Mrs. Kelley are pioneers of this section, having resided here ever since it was a wilderness and have seen the country cleared of its timber, the lands cultivated into fertile farms, and Yale grow to the city it now is. Many compliments were handed them by their friends, and they were the recipients of a number of presents in gold.

Below we publish a list of those in attendance:—D. W. Livingood and family, Mrs. M. Zavitz, H. J. Burton, Ed Oatman and Mrs. N. Gorthy, of Detroit; Mrs. Geo. Slayton, of Davisburg; Mrs. Bert Thompson and daughter, of Northville; Arthur Kelley and daughters, Mrs. Thos. Morrill and W. Burton, of Flint; Mr. and Mrs. Albert Oatman, Mr. and Mrs. Chas. Oatman, Floyd Oatman, Manley H. Kelley, wife and daughter, Porter H. Harris and family, of Yale.

This re-union was held at the home of Mr. and Mrs. Porter H. Harris, on First street.

FREE METHODIST CHURCH

There will be no service Sunday evening on account of the District quarterly meeting at Port Huron, beginning Thursday evening and continuing over the Sabbath.

Rev. Fred Parks and Rev. Bert Parks, both of Chicago, are expected home to visit their parents in Yale the last of October. They have offered their assistance for a two weeks revival meeting, beginning the last of October. We would like to have all try and attend all the services.

MENNONITE CHURCH

Rev. J. A. Avery, Pastor
Miss Annabell, Assistant
Services are held in the Brick Chapel. Bible school every Sunday at 1:30 p. m. Preaching at 2:30 and 7:30. Opportunity for testimony at each service.

The Friday evening prayer meetings are increasing in interest and attendance. Plan to attend next Friday evening at 7:30.

Monday evening, Oct. 8, Miss Evans will give an address on Missionary work in Africa. Miss Evans is a returned missionary, and you will enjoy hearing her. Don't miss this opportunity. All are welcome.

PRESBYTERIAN CHURCH

J. H. Rheingans, Pastor
The churches in Europe are beginning to understand the "Signs of the Times,"—why not in America—before calamity comes? If everyone would average one service a month it would be a distinct gain. Make the effort. Services at 10 a. m. and 7 p. m. Sunday school at 11. New quarter begins next Sunday.

The High School Tattler

EVELYN LUNDY, Editor.

GRADE NOTES

Some of the girls from the 7th and 8th grades are forming a girl scout organization.

Miss Fitch has the 7th and 8th grades interested in "Red Legs," a story of the present war.

The 7th and 8th grades were pleasantly entertained by the Victrola on Friday afternoon.

The 7th grade geography class is doing geography work on South America. Frederick Palmer has been dropped from the 6th grade.

The 5th grade has a new basket ball, which all are enjoying.

The 4th grade is honored by having the flag this week.

Gladys Smades and Cecil King are new pupils in the 4th grade.

Laura Thomas is back in school again after two weeks' absence.

Natalie Hennessy was absent from the first grade Monday afternoon on account of sickness.

Thelma Smades is a new pupil in the first grade.

HIGH SCHOOL NOTES

Mr. Druryor read an interesting article from the World's Work Thursday morning last which gave us some idea of what an important part France has played in the world's development.

Mr. Menerey was absent Tuesday.

A teachers' meeting was held on Tuesday evening and many problems discussed.

Report card week. Start the new month with fresh courage, and work.

Dorothy Lacy is back in school after a trip in the East.

We were glad to see Matty's smiling face again. Also Lloyd Holcomb's. We miss the faithful ones when they are absent.

The members of the American History class are sending for the "Review of Reviews," to be used in connection with their history work. They believe in being live members in this exciting time of studying history.

The Chemistry folks were making hydrogen Tuesday. The explosions could be heard in the various parts of the building.

Mr. Druryor's physics class is studying work and energy this week and have decided that it requires work and energy to get it.

M. P. Church Notes

F. L. Crandall, Pastor

There will be services as usual next Sunday, but instead of a sermon our pastor will give a talk on Rally Day, Sunday School and Rally Day program will follow immediately after. Let us have the largest rally on our records. That means that you and I and everyone interested must be there and bring others with us.

The W. W. class spent an enjoyable evening in the parlors of the church on Friday of last week.

The L. A. S. were entertained on Thursday by Mrs. O. Griffith and Mrs. I. Martin at the home of the latter. A delicious 15c lunch was served and the afternoon spent pleasantly by the large number present.

M. E. Church Notes.
